MUR INFINI

Dacryl a développé un caisson lumineux de signalétique ou de décoration, qui allie design, profondeur et lumière. Il offre au regard du public une œuvre lumineuse à l'effet infini. La lumière, la géométrie et l'espace dialoguent. L'impression de percevoir l'infini, le vide et la profondeur est à son apogée.

INFITE WALL

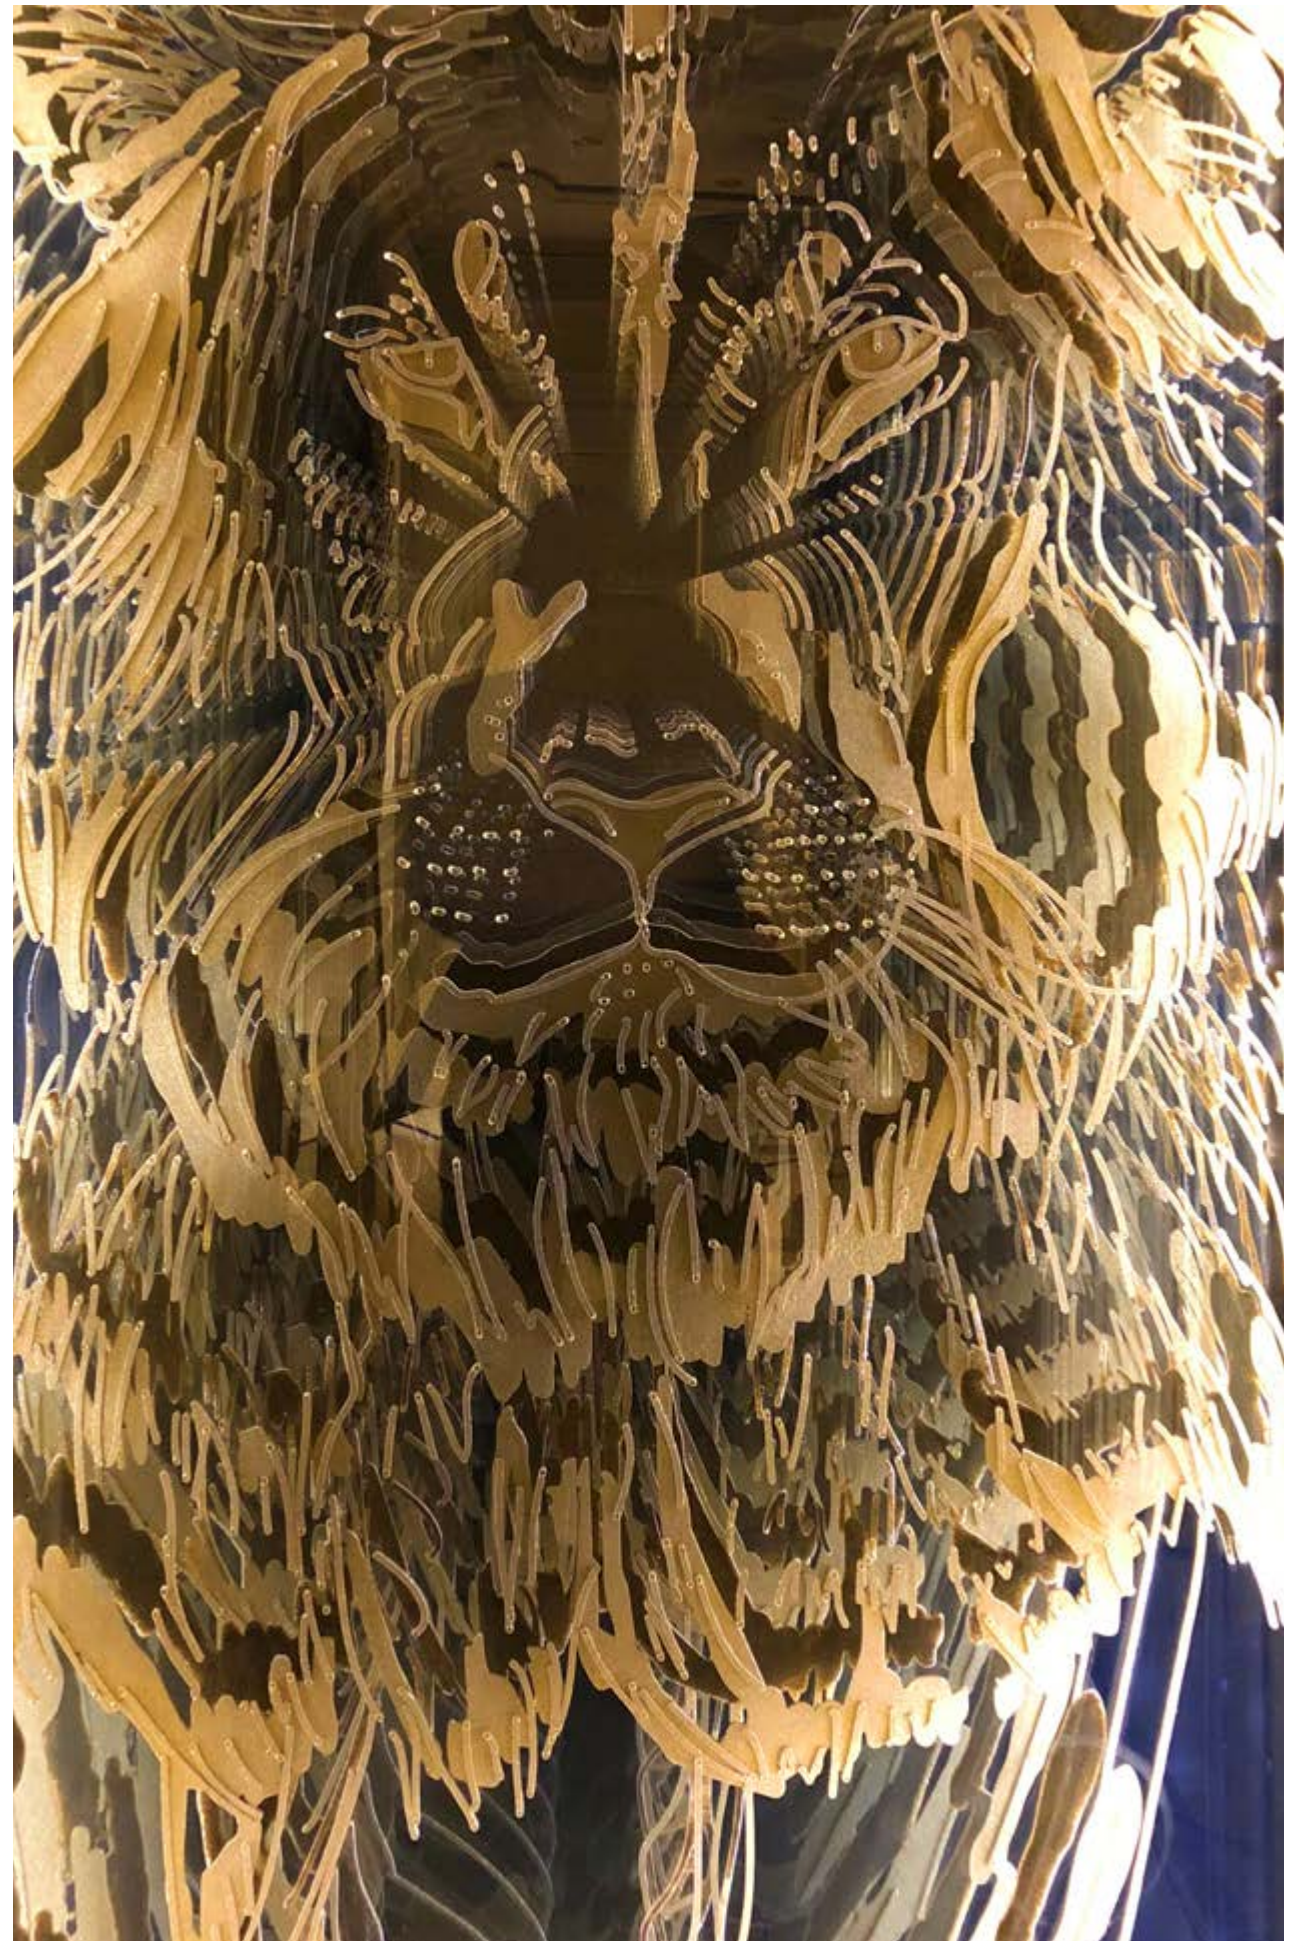

Dacryl developed a brand new luminous box for signage or decorative purpose, which combines design, depth and light. Dacryl unveils a luminous artwork with an endless effect. Light, geometry and space catch the eye and create an endless space.
