

DACRYL®

The image shows a modern interior space, likely a restaurant or lounge. The wall is composed of large, rectangular panels with a textured, metallic gold finish. These panels are backlit, creating a warm, golden glow. The wall is divided into sections by dark, thin frames. In the foreground, there is a dark leather booth or sofa. To the left of the sofa, there is a small, light-colored wooden table with a few glasses on it. The floor is made of dark, polished tiles. The ceiling is dark, and there are several pendant lights hanging from it, including a large, circular, metallic light fixture and a smaller, conical one. The overall atmosphere is sophisticated and contemporary.
